[英文提要]

The theology of marriage is an organic constituent of Christianity today. It has risen up since Vatican II, and has exerted vast and deep influence particularly in the third world. Although it is multicolored, its primary text is the Bible. In the Old Testament, there is the poetic expression of theology of marriage. Its theological value lies in the thinking mode and the polyphonic dialogue of man-God-man. Its present value is to cherish the pure love and consolidate the reasonable marriage. The study of theology of marriage is helpful to the basic policy of the family plan in China, and it may deepen and enrich our study of the contemporary literature of the third world countries.

婚姻神学的本质是基督宗教关于婚姻的伦理学说，它在天主教的梵二会议上得到了系统全面的总结，其主张大体上也为基督宗教各派所共同遵循。它的形成则经历了漫长的岁月。早在古代人类社会中形成基督思想的时候，婚姻神学的理念就开始萌芽了。《圣经》中也记录着人类关于婚姻的思考。在这些记录中，
