The Study of Biblical Literature

河南大学 梁 工

Liang Gong, Henan University

[Abstract] The significance of Judeo-Christian culture in the development of our world civilization is widely acknowledged by the academic community. In the West, Judeo-Christian culture and Hellenic culture are regarded as the two breasts that nurtured the youthful nations of Europe. Together with the ancient cultures of China and India, they constitute world civilization as we have it today. Therefore to understand the foundation of Western culture and world civilization, the Bible as Scripture and the basic texts of Christianity must be studied.

近代以来，希伯来—基督教文化对世界文明肌体的建构意义日益为学术界所公认。在西方，它与希腊文化被并称为“二希”，二者被确认为哺育西方年轻民族成长的“两只乳房”。<sup>①</sup> 延及全世界，它则与希腊文化、中国文化和印度文化鼎足而四，联袂支撑起
