Abstract: Wang Ruchun, a Hangzhou salt trader in the late Ming Dynasty, wrote *Grand General Mao on the Seas* to criticize the politics of his government, and to call for effective and practical contributions to the country. He helped with the proof-reading and publication of several books introducing Catholicism, hoping to propagate its practical wisdom for daily living. It is unclear if Wang Ruchun was baptized into the faith in his old age.

Keywords: Wang Ruchun, *Grand General Mao on the Seas*, Tianxue (Chinese Catholicism)

學界主要是在兩個研究方向下提及汪汝淳的：一為明末天主教研究，涉及的是汪汝淳校梓並題跋的天學著作；一為毛文龍歷史研究，涉及的是汪汝淳所撰的《毛大將軍海上情形》。然
