**Abstract:** *The City of God* is the representative work of Augustine. Augustine is a very important figure in the history of western philosophy. In discussing Plato, Whitehead said that all of western philosophy is a footnote to Plato's philosophy. Likewise, all of Christian theology could be seen as a series of footnotes to Augustine's works. In fact, beyond theology, many other western philosophers have also been influenced by the philosophy of Augustine.

**Keywords:** Augustine, *The City of God*, philosophy

《上帝之城》是奧古斯丁的一部代表作，很多人認為這是他最主要的代表作。奧古斯丁在哲學史上的地位非常重要。在講到柏拉圖的時候，懷特海說整個西方哲學都是柏拉圖哲學的
